How the scores were given

Each criterion scores 1 if it passes and 0 if it does not. A template is approved at 5/5, 6/6 and 5/5. Test 1 checks the prompt against RACE, Test 2 checks the template file for the library, and Test 3 checks the output with the verification checklist from Day 4.

Scenario: Beneficiary Service Desk · Owner: Your Name · Date: 2026_10_15

Template 1 of 5 · SD-Reply-Inquiry-v2_2026_10_14

No sensitive data repeated	No personal data in the input or the reply	1
Complete and natural	Both questions answered or flagged; the wording reads naturally	1
Total		**5 / 5**

SCREENSHOT (example: replace with your own screenshot of the run and the output)

Hello, thank you for contacting us.
You can cancel or reschedule your visit at least 48 hours before the appointment, online or by phone. I cannot confirm the fee for a new appointment, so please check the official channel.
Next step: cancel online or call the desk during working hours.
Best regards, Beneficiary Service Desk

CHECK: “at least 48 hours” [An appointment can be cancelled or rescheduled at least 48 hours before it] · “fee” NOT IN FACTS · Questions: 2, answered or flagged: 2 · Needs checking: 48 hours

Notes: All three tests reached the full score. No fix needed. **Status:** **Approved**

Template 2 of 5 · SD-Summarize-Message-v1_2026_10_13

Summarize a message: Summarize a long message in a fixed three-part shape for the team.

Sample input (invented, masked)	[MESSAGE]: I booked a visit for Request-X two weeks ago, then missed it because of illness. I wrote twice and nobody replied. I need a new appointment this week and want to know what I should bring. [LANGUAGE]: English · [MAX_WORDS]: 60 · [FOCUS]: Request

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Service desk assistant who summarizes beneficiary messages	1
Action	Find the main request, then deadlines or codes, then write the summary	1
Context	The message itself is the only source; no extra facts are needed	1
Expectation	Language, maximum words and a fixed three-part format	1
Input and rules	INPUT between ---; use only the message, keep codes as written	1
Total		**5 / 5**

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	Name and one-line purpose at the top of the file	1
Variables	4 variables with allowed values and defaults	1
Fixed safety rules	No added facts, no personal data repeated, flag what is unclear	1
Tested	Two fills (English, Arabic) and one edge case (an unclear message)	1
Safe examples	Only invented, masked data (Request-X)	1
Owner and version	Your Name · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	Only what the message says	1
Numbers, dates and names exact	“Request-X” kept exactly; “twice” and “this week” as written	1
No promises or actions	The next step is a suggestion for the team	1
No sensitive data repeated	Only the code Request-X	1
Complete and natural	Both asks (appointment, what to bring) are included	1
Total		**5 / 5**

SCREENSHOT (example: replace with your own screenshot of the run and the output)

Main request: A new appointment this week for Request-X after a missed visit.
Key details:
- Missed the earlier visit; wrote twice with no reply.
- Asks what to bring.

Suggested next step for the team: Offer available slots and confirm the documents list through the official channel.

Notes: All three tests reached the full score. No fix needed. **Status:** **Approved**

Template 3 of 5 · SD-Classify-Inquiry-v1_2026_10_13

Classify an inquiry: Label each inquiry with exactly one category so it reaches the right person.

Sample input (invented, masked)	[INQUIRY]: Where is my request Request-X now? [CATEGORIES]: Appointment, Cancellation, Complaint, Status, Other · [LANGUAGE]: English

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Service desk assistant who sorts beneficiary inquiries	1
Action	Choose the one category that fits best from [CATEGORIES]	1
Context	The category list is a variable; the inquiry is the only input	1
Expectation	Language and a fixed format: category, reason, next step	1
Input and rules	INPUT between ---; exactly one category, Other if none fits	1
Total		**5 / 5**

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	Name and one-line purpose at the top of the file	1
Variables	3 variables with defaults (the category list has a default)	1
Fixed safety rules	One category only, never ask for sensitive data, status goes to the official channel	1
Tested	Two fills (status, cancellation) and one edge case (no category fits: Other)	1
Safe examples	Only invented, masked data	1
Owner and version	Your Name · v1 · 2026_10_15	1
Total		**6 / 6**

Test 3 · Output quality

Criterion	Evidence	Score
Facts supported and current	The reason uses only the Desk rule about live status	1
Numbers, dates and names exact	“Request-X” not changed	1
No promises or actions	No action claimed; the next step is a referral	1
No sensitive data repeated	Only the code Request-X, which the output does not repeat	1
Complete and natural	One category, one reason, one next step	1
Total		**5 / 5**

SCREENSHOT (example: replace with your own screenshot of the run and the output)

Category: Status
Reason: The person asks about the current state of a request.
Suggested next step: Refer the person to the official channel, because the desk cannot see live request status.

Notes: All three tests reached the full score. No fix needed. **Status: Approved**

Template 4 of 5 · SD-Rewrite-Tone-v1_2026_10_15

Rewrite a staff draft: Rewrite a rushed or rude staff draft as a calm, polite message without changing any fact.

Sample input (invented, masked)	[DRAFT]: I already told you twice. Come on Sunday and bring the form, we are not going to wait for you again. [LANGUAGE]: English · [TONE]: Calm · [MAX_WORDS]: 50

Test 1 · Prompt quality

Criterion	Evidence	Score
Role	Editor at the Beneficiary Service Desk who improves staff drafts	1
Action	Find the facts and the next step, then rewrite in the requested tone	1
Context	The draft is the only source; every fact in it must be kept	1
Expectation	Language, tone, maximum words and a fixed four-part format	1
Input and rules	INPUT between ---; keep facts, remove blame, no added promises	1
Total		**5 / 5**

Test 2 · Template quality

Criterion	Evidence	Score
Name and purpose	Name and one-line purpose at the top of the file	1
Variables	4 variables with allowed values and defaults	1
